Hi Fierman Stakeholders,

I spoke with our designer and Bureau of Engineering personnel about the concerns expressed at last week's meeting. I am pursuing other possible paver color options while coordinating efforts with our designer and BOE to provide viable choices that resemble the option originally selected.

Our designer is able to meet next week. Possible meeting times are:

[Wednesday, January 27th \(3-5pm\)](#)

[Thursday, January 27th \(10am-3pm\)](#)

Please confirm which timeframe works best for you and I will follow up with Kirk. If you have any questions in the interim, please don't hesitate to call or email me.

Sincerely,

Alain J. Datcher
